PCMSC 2022 MEMORANDUM OF UNDERSTANDING PAINTING OF BOLSTERS/CORNERS

INFORMATION

During the course of the 2022 Pacific Coast Marine Safety Code Negotiations, the Employers reaffirmed the [2002 PCMSC Memorandum of Understanding](#) regarding the Painting of Bolsters/Corners.

It was agreed that the Pacific Maritime Association would *encourage* the Member Companies to paint the bolsters/corners of the existing chassis pool a contrasting color. It was further agreed that the Pacific Maritime Association would *encourage* their Members Companies to paint the bolsters/corners of all new chassis whether purchased or leased a contrasting color.

Employers should take note of the Memorandum of Understanding and act accordingly.

[2022 PACIFIC COAST MARINE SAFETY CODE](#)

PCMSC 2022 Memorandum of Understanding - PAINTING OF BOLSTERS/CORNERS

During the course of the 2022 negotiations, it was agreed that upon ratification, the Pacific Maritime Association shall encourage their member companies to:

- A. Paint the bolsters/corners of the existing chassis pool a contrasting color.***
- B. Paint the bolsters/corners of all new chassis whether purchased or leased a contrasting color.***
